

Unemployment Mortgage Assistance

Summary Guidelines

Program Overview

The Unemployment Mortgage Assistance Program (UMA) is one of CalHFA MAC's federally-funded programs developed to provide temporary financial assistance to eligible California homeowners who wish to remain in their homes but have suffered a loss of income due to unemployment.

CalHFA MAC is partnering with financial institutions to directly provide program funds to subsidize an eligible homeowner's mortgage payments.

UMA provides mortgage payment assistance equal to the lesser of \$3,000 per month or 100% of the PITI (principal, interest, tax, insurance) and any escrowed homeowner's association dues or assessments, for up to six (6) months, with the purpose of preventing avoidable foreclosures until such time that the homeowner retains employment sufficient to meet the demands of satisfying their regular mortgage payment.

Program Goals

UMA's goal is to help homeowners remain in their homes and prevent avoidable foreclosures despite loss of income due to unemployment.

The UMA program will minimize past due payments, and provide a homeowner with additional time to find alternate employment and replace income needed to make their mortgage payment.

UMA was designed to assist homeowners who are currently eligible to receive unemployment benefits.

UMA was designed to complement other loss mitigation programs, including increasing a homeowner's eligibility for an extended written forbearance plan and/or loan modification.

Target Population/Areas

UMA is designed to target low-to-moderate income homeowners and address the needs of a homeowner's specific situation in lieu of targeting certain regions or counties.

Program Allocation

(Excluding Administrative Expenses)

\$874,995,915.28

Homeowner must agree to provide all necessary documentation to satisfy program guidelines established by CalHFA MAC.

Eligibility Criteria

Homeowner in an “active” bankruptcy is ineligible for KYHC program assistance consideration. KYHC will handle written requests for assistance received from a homeowner’s bankruptcy attorney or trustee on an exception basis. Final approval is subject to servicer participation in accordance with investor guidelines. Homeowner’s who have previously filed bankruptcy are eligible for consideration with proof of court order “Dismissal” or “Discharge”.

General program eligibility is determined by CalHFA MAC, the housing counselor or servicer based on information received from the homeowner. Program-specific eligibility is determined by CalHFA MAC on a first-come/first-approved basis until program funds and funding reserves have been exhausted. Loan servicer will implement the HHF program based on participation agreement terms and conditions.

Funding allocation will be tracked, monitored and performed by CalHFA MAC in a centralized processing operation.

Property/Loan Eligibility Criteria

Current unpaid principal balance (UPB) of the first lien mortgage loan is not greater than \$729,750 (GSE conforming limit for a one-unit property).

The property securing the mortgage loan must not be abandoned, vacant or condemned.

The applicant must own and occupy the single family, 1-4 unit home (an attached or detached house or a condominium unit) located in California and it must be their primary residence.

Program Exclusions

Loan is more than three (3) payments delinquent as of the date of request for assistance or at the time homeowner requested HAMP UP forbearance from their servicer.

Loan is in foreclosure.

Homeowner owns other real property.

Homeowner’s “hardship” is a result of voluntary resignation of employment.

The homeowner is no longer eligible for unemployment benefits from the California Employment Development Department (EDD) benefit or such benefits will expire within 90 days.

Structure of Assistance

CalHFA MAC will structure the assistance as a non-recourse, non-interest bearing subordinate loan in favor of the Eligible Entity (CalHFA MAC) secured by a junior lien recorded against the property in the amount of the total reduced PITI and any escrowed homeowner’s association dues or assessments, and equal to the total amount of HHF unemployment assistance. At the conclusion of (3) three years, the subordinate loan will be released. Loan funds will only be repaid to Eligible Entity (CalHFA MAC) in the event of a sale or refinance with sufficient net equity proceeds prior to forgiveness. Recovered funds will be recycled in order to provide additional program assistance until December 31, 2017, at which time any recovered funds will be returned to Treasury.

After December 31, 2017, any remaining or returned funds will be returned to Treasury.

Per Household Assistance

Up to \$18,000 per household total (average funding of \$14,455.43), equaling the lesser of \$3,000 per month or 100% of PITI and any escrowed homeowner’s association dues or assessments (and in all cases, subject to the HHF Program maximum benefit cap of \$50,000 with respect to monies previously received under other HHF Programs, if any).
